GENERAL TERMS AND CONDITIONS

1. Terms of the sale are cash. Personal checks are considered cash. Driver's licenses or other positive forms of identification will be required for checks.
2. The sales management is not responsible for the integrity of any specific bid, and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event that a bid is not honored, the seller agrees to hold Ken Beck and Associates, and any employees harmless and agrees not to sue the San Juan Ranch Horse Sale Management thereof.
3. The sellers reserve the right to bid, and to accept or reject any and all bids.
4. Horses are at the buyer's expense and risk and responsibility from the time of purchase. No delivery will be made until said horse has been paid for in full. The buyer is responsible for paying the transfer fee.
5. All 2021 foals that are sold individually will be sold with one-third down and the balance due at weaning. If any such foal is determined to be found unsound at weaning, all money will be refunded in full. However, failure to pick up said foal at weaning or failure to pay the balance for any reason other than unsoundness, will cause the buyer to forfeit all money paid.
6. All registration papers will be withheld by the sales management until all checks have cleared the bank. At such time, the papers, along with the transfers, breeder's certificates, foal applications, and foal transfers will be sent directly to the buyer. If any buyer desires to obtain registration papers immediately, the horse must be paid for in currency.
7. Warranties: Auctioneers, announcers, and clerks do not act as agents for or represent the buyer or seller. They merely provide a medium for bringing together the buyer and seller for the purpose of a sales transaction. At the San Juan Ranch Horse Sale there will be no bids accepted or transactions made for less than the value of \$250.
8. **ALL RESPONSIBILITY AND GUARANTEES LIE BETWEEN THE BUYER AND SELLER.** There is no guarantee with respect to soundness or physical health of any animal sold other than any specific guarantee made by the consignor. Therefore, the consignor shall be the responsible party for all guarantees either written or verbal. All defects and unsoundness of any nature known to the consignor shall be stated. Buyer has the right to have a veterinary examination, at buyer's expense, of any animal purchased upon the immediate exit from the auction ring. If a dispute arises between buyer and seller with regard to an animal's soundness or general health at time of sale, the official veterinary examination will be used to settle the dispute. In the event the dispute cannot be settled by either of the aforementioned items, then it shall be the sole responsibility of the buyer and consignor to arrive at a mutual decision by which the management can abide. Once an animal has been removed from the grounds, or a 24 hour time limit has expired from time of sale, no recourse is available and the transaction is final.
9. Every effort has been made to insure correctness of the catalog, and in most cases, information quoted concerning horses is taken from the official horse association records. However, the sales management and its staff will not assume or accept responsibility for error or omissions.
10. All buyers or prospective buyers must register and obtain a buyers number. This can be done any time before or during the sale.
11. If a dispute should arise over a bid it will be settled solely by the auctioneer and his decision is final.
12. Ken Beck and Associates, and the San Juan Ranch Horse Sale Committee are not, nor will be held liable for any accidents to persons or animals.

Welcome to the San Juan Ranch Horse Sale!

BD Two Eye Cody is a 2019 AQHA Gelding out of the great Cody stud and a Two Eyed Red Buck mare. He has a really nice start on him. He has been exposed to ranch work such as moving cows, and crossing water and logs. He has also been in the arena gaining a better handle. He stops, backs up, and is progressing with his rein daily. He is good to catch, have his feet handled, and he has a good mind and a willing attitude to learn. He just gets better with every ride. Don't miss an opportunity to own a nice young horse with lots of years and miles to go.

Cadillac just came four this May. He's built nice and is an athletic young horse. He's been cowboied on all last fall and this spring. He has gathered cattle, been in the shipping corrals, and worked alleys and gates. He will watch a cow and has a really nice handle on him. Cadillac has been roped off of a little. He is watchy on the ground and needs rode consistently, but is getting gentler to be around as he gets used and gets older. He is a good prospect for a rope horse, or just a good ranch horse. Good to shoe, loads really good, and is good with other horses.

Mr. Joes Sportster, aka Tomack, is a registered 4 year old palomino gelding. He is bred to the hilt, and goes back to the Super Horse, Mr Baron Red. He is 14.3 hands and stout built. He is gentle and easy to handle in every way. He has been ridden hundreds of miles and done every aspect of ranch work. He has packed salt, doctored cows, drug calves to the fire, and been ridden through rough country. Almost anyone can ride him, he is honest and solid. No buck, no kick and no nonsense. We absolutely love this horse. He has a solid start on him and will do anything you ask of him. If you're looking for a good looking, gentle horse with an outstanding pedigree, this is the horse for you.

This horse colt is one I've debated on keeping and starting myself but decided to offer him to you. His sire is a Hancock Four Cee stud and his mother is out of JM Grover's "Whiskey" so he is bred just right to be a working cow horse.
